Disclaimer: The identification of the genotype was carried out with great diligence and with respect to scientific knowledge. The client accepts that the testing services provided here have an inherent potential for error and that Agrobiogen makes no representation that its services will be fully accurate or error-free. Agrobiogen disclaims and excludes all warranties or representation of any kind with respect to its services including any indirect, or consequential damages. Claims for compensation are limited to intent and gross negligence.

**Results will be provided per email, usually no later than 15 working days after sample receipt.
 Upon request, results can be mailed in written form.
 Signing the form also implies that the client agrees to terms and conditions of Agrobiogen GmbH (www.agrobiogen.de).**
